

**SERVING THE ELECTRICAL & TELECOMMUNICATIONS MARKETS IN
KANSAS, MISSOURI, NEBRASKA, IOWA, OKLAHOMA**

ACTION BATTERY WHOLESALERS – MO, KS, NE, IA

Full line of DC Power products, sales, service, engineering including: batteries and monitoring, chargers, converters, Inverters, for electric utilities: BAE, NorthStar, ELTEK, AMETEK, Rltar, SENS, CE+T

AFI – AMERICAN FURUKAWA INC – KS MO IA NE OK

TR-XLPE 15-35kV, EHV-XLPE 138-500kV
EPR 15-35kV
AAAC, AAC, ASCR, ACSS

AZZ INCORPORATED – NE, IA

Enclosure Systems - Factory fabricated modular enclosures, motor control centers

Bus Systems - Electrical bus systems up to 69 kV

Switchgear Systems - Medium voltage switchgear, arc resistant gear, electrical protection, control, and automation panels

CGIT - Gas-insulated transmission bus systems

Power Grid Solutions- padmount: switchgear, cap banks, fusegear, primary metering, metal enclosed switchgear, flexaisle & cap banks, metal-clad switchgear

DIS-TRAN – MO, KS, IA

Transmission structures, substation structures, specialty structures, transmission wood products

Dis-Tran Packaged Substations (Iowa) - traditional packaged subs, factory-built subs, eXpress power stations, elevated subs, Pre-Fab bus assemblies (Dis-Tran PFB)

INTRAL – KS, MO, NE, IA, OK

Aluminum-clad steel guy strand & static ground wire

LASER TECHNOLOGY – KS, MO, NE, IA, OK

Laser based measurement products

mitsubishi Electric Power Products – KS, MO 63W

69-550kV SF6 Circuit Breakers, 15 & 25kV Vacuum Breakers, GIS, System Studies, Power Electronics: FACTS, STATCOM & SVC

OFS – KS, MO, NE, IA

Fiber optic cable – ADSS, armored, duct, ribbon, & connectivity products

SFPOC – KS, MO, NE, IA

Fiber optic cable- Optical ground wire (OPGW)

SOUTHERN STATES – KS, MO, NE, IA West

Group & hookstick operated switches, motor operators, circuit switchers (horizontal & vertical interrupter types), load & line switchers, capacitor & reactor switchers, power fuses, switch-fuse combos, switch accessories, after sales & service

TRENCH – KS, MO 63W

Capacitor voltage transformers (CVTs), line traps, reactors, current/potential transformers, draw lead bushings

WAUKESHA ELECTRIC SYSTEMS (SPX TRANSFORMER SOLUTIONS) – KS, MO 63W

Large and medium power transformers, 15 – 345kV, 5 MVA at 34.5kV to 900MVA at 345kV, GSU to 1200MVA, autotransformers to 1200MVA, replacement parts for LTCs, breakers, transformer health products

WES SERVICE (SPX TRANSFORMER SOLUTIONS) – KS, MO 63W

Substation services & power plant services for transformers, LTCs, circuit breakers, & switchgear

Jeff McMullen

Outside Sales
MO, KS, & NE
